### Making a Claim

All claims irrespective of negligence or liability must be, in the first instance, reported to Incident Care 08000 963086, within one calendar month of the date of the incident.

Late notification will nearly always increase the cost of settling such claims. Therefore, your failure to report an incident could result in the increased cost being passed to you, the policyholder, for settlement and an increased excess may apply.

Incident Care 08000 963086 is available 24 hours a day, 365 days per year.
