Introduction

The Contract of Insurance

This policy is a contract of indemnity between you, the policyholder, and us, Aviva. This policy, the application form, any clauses endorsed on the policy, the policy schedule and the Certificate of motor insurance should be read together and form the contract of insurance. In return for payment of the premium by you, we will provide insurance in accordance with the policy cover shown in the policy schedule in respect of accident, injury, loss or damage occurring within the territorial limits (or in the course of transit between any ports therein including the processes of loading and unloading) during the period of insurance.

Important

This policy is a legal contract. You must tell Us about any material circumstances which affect Your insurance and which have occurred either since the policy started or since the last renewal date.

A circumstance is material if it would influence Our judgement in determining whether to provide the cover and, if so, on what terms. If You are not sure whether a circumstance is material ask Your insurance adviser. If You fail to tell Us it could affect the extent of cover provided under the policy.

You should keep a written record (including copies of letters) of any information You give Us or Your insurance adviser when You renew this policy.

Breach of Term

We agree that where there has been a breach of any term (express or implied) which would otherwise result in Us automatically being discharged from any liability, then such a breach shall result in any liability We might have under this policy being suspended. Such a suspension will apply only from the date and time at which the breach occurred and up until the date and time at which the breach is remedied. This means that We will have no liability in respect of any loss occurring, or attributable to something happening, during the period of suspension.

Terms not relevant to the actual loss

Where there has been non-compliance with any term (express or implied) of this policy, other than a term that defines the risk as a whole, and compliance with such term would tend to reduce the risk of:

- loss of a particular kind, and/or
- loss at a particular location, and/or
- loss at a particular time,

then We agree that We may not rely on the non-compliance to exclude, limit or discharge Our liability under this policy if You show that non-compliance with the term could not have increased the risk of the loss which actually occurred in the circumstances in which it occurred.

Choice of Law

The law of England and Wales will apply to this contract unless:

- (1) You and the Insurer agree otherwise; or
- (2) At the date of the contract you are a resident of (or, in the case of a business, the registered office or principal place of business is situated in) Scotland, Northern Ireland, Channel Islands or the Isle of Man, in which case (in the absence of agreement to the contrary) the law of that country will apply.

Incident Care

Claims & Emergency Helpline – 0800 169 4066

Incident Care is open 24 hours a day, 365 days a year, on 0800 1694066. Call Us free for immediate assistance in an emergency or to notify a claim.

Making a claim

Just one call to Incident Care and Our professionally trained Incident Managers will help You get Your business back to normal as fast as possible, with minimum fuss.

Firstly, We will confirm whether the incident is covered by Your policy and advise You of any excess You will have to pay. There is no need to fill in a claim form.

Then You will be assigned a Personal Incident Manager to handle Your claim from beginning to end, keeping You regularly updated on its progress.

In the case of an accident

If You have been involved in an accident and Your vehicle can not be driven, Your Personal Incident Manager will look after Your immediate needs, by:

- arranging for Your vehicle to be recovered to an approved repairer
- dealing with any immediate concerns You may have, such as contacting those who need to know You have been involved in an accident.

The repair bills will be paid directly by Us to Our approved repairer (apart from any applicable excess), so there is no need to worry about the finance.

Damaged windscreens/windows

If your windscreen or windows are cracked, chipped or shattered, phone Incident Care and an Incident Manager will arrange for an approved glass company to get to you as quickly as possible, assess the damage and either repair or replace the windscreen on the spot.

You only pay a £50 excess if the windscreen or other glass is replaced up to a value of £500.

The £500 limit is waived if you use an approved repairer via the Incident Care contact number: 0800 1694066.

Note: For our joint protection, telephone calls to Incident Care may be recorded and/or monitored.

You do not have to pay extra for Incident Care - it is all part of the service.

Telephone Recording

Calls to 0800 numbers from UK landlines and mobiles are free. The cost of calls to 03 prefixed numbers are charged at national call rates (charges may vary dependent on your network provider) and are usually included in inclusive minute plans from landlines and mobiles. For our joint protection telephone calls may be recorded and/or monitored.

Cover for your vehicle

Cover

Section 1

Loss of or damage to your vehicle

If your vehicle is lost, stolen or damaged we will at our option:

- pay for your vehicle to be repaired; or
- replace your vehicle; or
- pay you a cash amount equal to the loss or damage.

We may decide to use suitable parts or accessories not supplied by the original manufacturer.

The same cover applies to accessories and spare parts for your vehicle while these are in or on your vehicle or while in your private garage.

The maximum we will pay will be the Market value of your vehicle at the time of the loss.

If we know that you are still paying for your vehicle under a hire-purchase or leasing agreement, we will pay any claim to the owner described in that agreement. Our liability under this section will then end for that claim.

Accident recovery

If your vehicle is disabled through loss or damage insured under this policy we will pay the reasonable cost of:

- it's protection and removal to the nearest repairers
- it's delivery to you after repair but not exceeding the reasonable cost of transporting it to your address in the territorial limits.

Within the territorial limits we can arrange for this protection and removal of your vehicle through the RAC. To use this service ring Incident Care on 0800 023 4032 (if you are in the Republic of Ireland you will need to ring a special number, 1800 535005 to obtain the recovery service). The RAC will arrange the following at no cost to you:

- someone to come out and help. If your vehicle cannot be made roadworthy immediately, it will be taken to our nearest approved repairer. Your vehicle can be taken to a repairer of your choice if this is nearer, but this may lead to delays in arranging the repairs to your vehicle
- the onward transmission of any messages on your behalf to a member of your family or a friend.

In providing accident recovery assistance, RAC employees and contractors will use reasonable care and skill when providing the service. The RAC can, however, cancel services or refuse to provide them if, in their opinion, the demands made are excessive, unreasonable or impracticable.

Excesses

If your vehicle (including its accessories and spare parts) is lost, stolen or damaged, you will have to pay the first part of any claim as indicated below.

We shall not be liable for

(1) the following excesses in respect of loss or damage (other than by fire self-ignition lightning explosion or theft or attempted thereat) occurring while your vehicle is being driven by or is in the charge of for the purpose of being driven by the following

- (i) the use or threat of force and/or violence and/or
- (ii) harm or damage to life or to property (or the threat of such harm or damage) including but not limited to harm or damage by nuclear and/or chemical and/or biological and/or radiological means

Section 3

Emergency treatment

We will reimburse any person using your vehicle for payments made under the Road Traffic Acts for emergency treatment.

A claim solely made under this section will not prejudice your No Claim Discount.

Section 4

No claim discount

If no claim is made under Your policy during the Period of Insurance, We will increase Your No Claim Discount at Your next renewal in line with the scale We apply at the time.

Where a claim has been made, We may reduce Your No Claim Discount in line with the scale We apply at the time.

Third Parties may claim directly against Us as Your insurer in the event of an accident involving Your Vehicle, as permitted under the European Communities (Rights Against Insurers) Regulations 2002. In these circumstances We will deal with any claim, subject to the terms and conditions of Your policy. This may affect Your No Claim Discount.

If a claim is made which is not Your fault and We have to make a payment, We will reduce Your No Claim Discount unless We can recover all sums We have paid from those responsible.

If there is more than one vehicle insured, Your No Claim Discount will be applied as if a separate insurance had been issued for each.

No Claim Discount is not earned where Your Vehicle is insured for less than 12 months.

If We consent to transfer this policy to another person or company, No Claim Discount already earned under this policy will not apply to the person or company to whom the policy is being transferred.

If your renewal is due and investigations into a claim are still ongoing, we may reduce your no claim discount provisionally, until our investigations are complete. We may then restore your no claim discount and refund any extra premium that has been paid

Section 5

Glass in windscreen, sunroof or windows

Any payment solely for repair or replacement of glass in the windscreen, sunroof or windows of your vehicle (or any scratching of bodywork arising directly and solely from the glass breakage) will not prejudice your No Claim Discount and the excesses will not apply. You will, however, have to pay the first £50 of the cost of glass replacement. This excess for glass will not apply when the glass is repaired rather than replaced.

Any such damage for this section is restricted to comprehensive cover only with the windscreen/window replacement value limited to £500 of any one incident. This limit is waived if you use an approved repairer via the Incident Care contact number.

Section 6

Continental use/compulsory insurance requirements

In addition to providing cover within the territorial limits, this policy, in compliance with EU directives, also provides the necessary cover to meet the laws on compulsory insurance of motor vehicles in:

any other country which is a member of the European Union

any country which the Commission of the European Communities is satisfied has made arrangements to meet the requirements of Article 7(2) of EC Directive 72/166/CEE relating to civil liabilities arising from the use of a motor vehicle. (Eligible countries change from time to time. Your insurance broker should be able to tell you the current list of eligible countries).

The level of cover provided will be the minimum required to comply with the laws on the compulsory insurance of motor vehicles of the country in which the accident occurs. Where the accident occurred in another EU Member State, however, if the minimum cover required by the laws of Great Britain is wider than that of such EU Member State, the level of cover provided will be that applicable to Great Britain.

If you take your vehicle abroad

All countries within the territorial limits have agreed that a Green card is not necessary for travel outside the territorial limits. Your Certificate of motor insurance provides sufficient evidence that you are complying with the laws on the compulsory insurance of motor vehicles in any of these countries you visit.

If, however, you contact your insurance broker at least two weeks before departure, he/she will be able to provide you with our 'Driving on the Continent' booklet.

This booklet contains useful information on driving abroad, what to do in the event of an accident and statements in the main European languages for presentation to the Police or other officials confirming that you have proper insurance to drive in their countries. There is no cover for countries outside the territorial limits. We may, however, be prepared to extend cover to certain places by special request, in which case we will provide you with a Green card and an additional premium will be required.

Claims procedure

- (1) As soon as reasonably possible after any accident, injury, loss or damage, you or your legal personal representative must telephone us with the full details of the incident. Any communication you receive about the incident should be sent to us immediately. You or your legal personal representative must also let us know immediately if anyone insured under this policy is to be prosecuted as a result of the incident or if there is to be an inquest or fatal enquiry.
- (2) You, or anyone else claiming under this policy, must not admit to any claim, promise any payment or refuse any claim without our written consent. The person who is seeking payment under this policy shall give us all the information and assistance necessary for us to achieve settlement.
- (3) Where there is a claim, or a number of claims arising out of one incident, and this relates to payment for liability for damage to property, we may, at any time, pay you the full amount we are required to pay under the policy (less any sums we have already paid in compensation) or, any lesser amount for which such claim or claims can be settled and, having done so, relinquish the conduct and control of such claim(s) and be under no further liability for them. We will, however, be liable for the payment of costs and expenses of litigation, recoverable or incurred, in respect of matters prior to the date of such payment.

- (c) Where there is no credit agreement, arranged through your broker or TFP Schemes, to finance this policy, we will cancel this policy from the inception date if the premium has not been paid and no return premium will be allowed. Such cancellation will be confirmed in writing by us to your last known address.
- (d) We may also cancel this policy at any time by sending not less than 7 days notice in writing to Your last known address.

Other insurance

If at the time of any claim arising under this policy there is any other insurance policy covering the same loss, damage or liability, we will only pay our share of the claim.

This provision will not place any obligation upon us to accept any liability under Section 2 which we would otherwise be entitled to exclude under Exclusion 1 to Section 2.

Your duty to prevent loss or damage

You shall at all times take all reasonable steps to safeguard your vehicle from loss or damage. You shall maintain your vehicle in efficient condition and we shall have, at all times, free access to examine your vehicle.

Arbitration

Where we have accepted a claim and there is disagreement over the amount to be paid, the dispute must be referred to an arbitrator to be agreed between you and us in accordance with the law at the time. When this happens, a decision must be made before you can take any legal action against us.

2. Before a variation was agreed

If You have breached Your duty to make a fair presentation of the risk to Us before any variation to this policy was agreed, then:

This condition operates in addition to any provisions relating to underinsurance in this policy.

Fraud

If a claim made by You or anyone acting on Your behalf is fraudulent or fraudulently exaggerated or supported by a false statement or fraudulent means or fraudulent evidence is provided to support the claim, We may:

- (1) refuse to pay the claim,
- (2) recover from You any sums paid by Us to You in respect of the claim,
- (3) by notice to You cancel the policy with effect from the date of the fraudulent act without any return of premium.

If We cancel the policy under (3) above, then We may refuse to provide cover after the time of the fraudulent act. This will not affect any liability We may have in respect of the provision of cover before the time of the fraudulent act.

If this policy provides cover to any person other than You and a claim made by such person or anyone acting on their behalf is fraudulent or fraudulently exaggerated or supported by a false statement or fraudulent means or fraudulent evidence is provided to support the claim, We may:

If We cancel a person's cover under (3) above, then We may refuse to provide cover after the time of the fraudulent act. This will not affect any liability We may have under such cover occurring before the time of the fraudulent act.

Monthly premiums

In the event of a total loss claim under this policy, all remaining monthly premiums for the period of the insurance contract will immediately become due. We reserve the right to deduct this amount from the claims settlement.

Payments made under compulsory insurance regulations and rights of recovery
